RE: HB 4038

Dear Representative Forlini,

On February 20, 2015 our Association reviewed HB 4038 and voted to support the bill. We did note that while this would allow electronic service there was no component to require receipting of the email.

We appreciate the opportunity to work closely with you on this issue last session as well as this one.

Thank you for listening to our concerns and we look forward to working with you this session.

Yours truly,

Beth Ann Gibson  
92<sup>nd</sup> District Court Judge  
Legislative Co-Chair
